WORK EXPERIENCE

AI Video Creator & Multimedia Content Specialist |

JUN 2025 - Present

Ilyas & Mustafa Galadari Group, Dubai, UAE

- Create and edit engaging content as an **AI Video Creator**, utilizing AI tools to streamline video production, enhance creativity, and improve workflow efficiency.
- Create high-quality video content and professional photography for diverse marketing campaigns and corporate events.
- Coordinate with cross-functional teams to ensure marketing materials align with the overall brand identity.
- Plan and execute comprehensive multimedia marketing strategies to enhance brand visibility across all digital platforms.
- Optimize video content for YouTube and other social channels using advanced SEO and keyword research.
- Design and produce creative motion graphics and visual effects to elevate the quality of video.
- Utilize Adobe Creative Suite and DaVinci Resolve for professional-grade editing and high-end color grading.

Multimedia Designer and Social Media Specialist

2023 - 2025

Battmobile Car Battery Replacement, Dubai, UAE

- Captured high-quality visual content of automotive services to showcase technical expertise and build customer trust.
- Designed and managed social media campaigns that significantly increased organic reach and follower engagement rates.
- Produced educational video content explaining car maintenance tips to provide value to the target audience.
- Developed motion graphics for promotional advertisements to capture attention in crowded social media news feeds.
- Implemented technical SEO strategies on the company website to increase visibility for local search queries.
